## MESSAGE FROM THE ASSOCIATE DIRECTOR OF SAFETY & SECURITY

At SLCC, we'd like to see all our students, faculty, and staff succeed in their aspirations, and enjoy doing it. To that end, it is important that they feel safe, respected, and protected on our campuses. The Office of Safety and Security is committed to this idea and aims to keep our campuses safe and secure through the implementation of response protocols and preparedness programs. It is our goal to ensure that every member of our SLCC community is properly informed, trained, and has access to all emergency response, evacuation, and incident reporting procedures.

This past year has seen strong growth in our safety culture and the systems behind it. We completely revised and updated our General Safety Plan and Emergency Operations Plan. We partnered with The I Love U Guys® Foundation to incorporate their Standard Response Protocols™ in our emergency response. We also began a major installation of an automated access control system which will allow us to control and know who is in our buildings and to secure any building in an instant.

The Office of Safety and Security will continue to provide the most up-to-date tools and processes, but it is the responsibility of all members of the college community to do their part in cultivating a culture of safety and security awareness. Through timely reporting of all suspicious activity, proper incident reporting, and staying well informed of emergency response protocols, we can all do our part to ensure that our students have a safe and secure educational environment in which they can thrive.

Thank you for doing your part to keep our campuses safe.

David A. Crochet

Associate Director of Safety & Security

## ABOUT THE OFFICE OF SAFETY AND SECURITY

The Office of Safety and Security (OSS) is under the direction of the Department of Facilities and Security Management and is charged with the responsibility for on-campus security, safety, law enforcement, emergency services, traffic, and parking. The Department of Facility and Security Management's mission statement is as follows:

*“Providing a quality, safe, and well-maintained environment for all of South Louisiana Community College, through service, hard work, and ownership.”*

The Office of Safety and Security is located in the Devalcourt Building, often referred to as “Devalcourt”, at the following address:

South Louisiana Community College  
Lafayette Campus  
320 Devalcourt St.  
Lafayette, LA 70506

The department is available 24/7, 365 days per year to respond to all campus emergencies, incidents, and criminal activity, by calling the Main Security line at (337) 521-8914. The college utilizes a private security contractor to assist with incident reporting and access control measures. Security personnel are stationed on our campuses during both day and nighttime operations, as well as weekend events.

The college also has a working relationship with all local, state, and federal law enforcement agencies with jurisdiction over all campus locations. These agencies are the college's primary responders to all college emergencies and security threats.

## **PREPARATION AND AVAILABILITY OF THE ANNUAL SECURITY REPORT**

In accordance with the *Campus Security Act* (also known as the *Jeanne Clery Act*) SLCC publishes the Annual Security Report on or before Oct 1<sup>st</sup>, each calendar year. This report is prepared by the SLCC Department of Facilities and Security Management, in cooperation with the SLCC Office of Student Engagement, other college agencies, and local law enforcement agencies. This document contains the past three years of Clery reportable crime statistics.

To aid in this reporting, as required by the Higher Education Act (HEA), SLCC maintains an Operations and Protocol Agreement (MOU) between the college and local law enforcement agencies for all campus locations. Each year, a request for any criminal activity, for the Clery Geographical areas, is sent to all local law enforcement agencies as appropriate. A reasonable effort, including follow-up phone calls and emails, is made to these agencies to collect this information. If it is not possible to distinguish whether the incident occurred in a Clery Geographical location, any provided information will be omitted from the report.

### **DEFINING REPORTABLE CLERY CRIMES AND CLERY GEOGRAPHY**

Under the Clery Act., an educational institution must disclose the previous three years of reported criminal activity pertaining to Criminal Homicide, Rape, Fondling, Incest, Statutory Rape, Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, Arson and any Drug, Liquor or Illegal Weapon law violations, any Hate Crime violation, as well as Stalking, Sexual Assault, Domestic or Dating Violence as defined by the Violence Against Women Act (VAWA) of 1994. All reported crimes brought to the attention of a Campus Security Authority or Law Enforcement are included in the college's crime statistics, regardless of if there is a proceeding investigation or despite any findings of subsequent investigations. If a crime is investigated by a law enforcement official, and the report is found false, indicating that the crime did not occur or was never attempted, the crime can be deemed an "unfounded offense" and documented as such.

All crimes included in the report have occurred on-campus, in a non-campus building or on property used for educational purposes by the college, or on public property adjacent to and directly accessible by members of the college population. These identified geographical areas are referred to as Clery Geography within this document.

### **OBTAINING THE ANNUAL SECURITY REPORT**

The Annual Security Report is available through the college's website and can be located at [Security | Campus Security & Safety](#). This document is published as a PDF and can be viewed or printed using Adobe Acrobat reader, which can be downloaded at no charge at [www.adobe.com/acrobat.html](http://www.adobe.com/acrobat.html).

### EMERGENCY RESPONSE AND PREPAREDNESS

A copy of the SLCC Emergency Operations Plan, which identifies specific response protocols and emergency preparedness measures, is located at [Safety | Campus Security & Safety](#). SLCC has partnered with the **I Love U Guys Foundation**® to utilize their *Standard Response Protocols*™ as a foundation of this plan.
