

Title: Tobacco-Free Campus Policy
Effective Date: January 13, 2014
Date of Last Revision: July 31, 2014
Cancellation:

I. Policy

In accordance with Act 211 of the 2013 Regular Session of the Louisiana Legislature, South Louisiana Community College seeks to provide a safe, healthy, pleasant environment for its faculty staff, students and visitors. To this end, the use of tobacco products, including smoke and smokeless tobacco, and the advertising, sale, free distribution, and discarding of tobacco products shall be prohibited in all indoor and outdoor facilities and in all state-owned vehicles. The policy extends to faculty, staff, students, vendors, guests, and visitors.

II. Specifications

- a. "Tobacco" includes all products containing tobacco, including and not limited to, cigarettes, cigars, pipes, smokeless tobacco, and oral and nasal tobacco products (e.g., chewing tobacco, snuff).
- b. "Use of tobacco products" shall include:
 - Possession of a lighted tobacco or other burning of any other combustible material
 - Use of smokeless/electronic tobacco or other materials
- c. "Indoor and outdoor facilities and state-owned vehicles" shall include:
 - All buildings and facilities owned or leased by South Louisiana Community College
 - All outdoor areas owned or leased by South Louisiana Community College, including the grounds of all campuses
 - All state-owned or leased vehicles
- d. Exceptions:
 - Policy does not apply to public sidewalks that border the campus.
 - Use of smokeless/electronic style products outdoors is permitted.
 - Smoking in personally owned vehicles parked or driven on the campus is permitted.

III. Enforcement

1. It is the responsibility of all members of the campus community and campus visitors to observe the provisions of this policy.
2. It is the responsibility of all students, faculty, staff, and campus visitors to uphold the honor of the College by affirming its commitment to this policy.
3. Courtesy and consideration will be exercised when informing violators of this policy.

4. Compliance with this policy by all students and employees is expected based on our commitment to a healthy environment to live, work, and learn. Emphasis will be placed on creating a positive and healthy culture free of tobacco and should be a cooperative effort, encouraged by all faculty, staff and students. Faculty and staff who are found to be non-compliant with this policy will be handled in the same manner as any other policy violation and are subject to disciplinary process.
5. Visitors repeating non-compliance will be referred to security and asked to leave the campus.

IV. General

1. The sale or promotion of tobacco products will be prohibited anywhere on campus. This will also include prohibiting sponsorship of any school activity by tobacco companies.
2. Communication will be provided to prospective and enrolling students and new employees.
3. Scheduled breaks may not be extended nor shall extra breaks be added for smoking.
4. The college will ensure that the public and the campus are made aware of the tobacco-free environment through press releases, website announcements, signage and other communication sources.
